## BOAT DESCRIPTION

### BSC RIB - CLASSIC LINE

BSC Inflatables are the product of the Italian factory owned by the family Colzani which is producing high quality boats for over 30 years. The most popular is Classic line which has the largest selection of boats. Rubber on these RIBs is made of the modern and most durable Hypalon material which makes these inflatables extremely long-lived. Their stability and quality will inspire their future owners and users. Basic equipment of BSC inflatables is very rich and we also have a large selection of additional equipment.

### RIB BSC 70

BSC 70 is another member of the of BSC Classic line, characterised by great spaciousness and comfort. On the back side it has large U-shaped seat and console is located in the middle which allows passage on both sides. At the front of the boat is comfortable sundeck as well as the seat in front of console. This model can take up to 225 HP engine and comfortably accommodates up to 14 people. The entrance to the boat is made easier with a large bow platform and two swim platforms, which makes easier entry of the sea.
