## BOAT DESCRIPTION

### BSC RIB - OCEAN LINE

Ocean lines BSC Colzani inflatables are characterized by beautiful Italian design and alarge amount of basic equipment. Practical solutions that are used in making these boats make them a pleasure to use and driving. Inflatables in Ocean line are made of Hypalon rubber and superb plastic which makes themvery durable and high quality.

### RIB BSC 80 OCEAN

BSC 80 Ocean is equipped with comfortable spacious U-shaped seating as well as driver's seat with a large console where is situated cabin with electric toilet. The inflatable can be equipped with an engine up to 300 hp and receive up to 18 people. This is the first inflatable in the BSC line that comes with a built-in electric toilet and as part of optional equipment can be equipped with fridge, sink with drain and cooking board. These additional equipment, combined with the tilt makes this inflatable suitable for daily and longer travels. From optional equipment should be mention very good folding stainless steel roll-bar with a bimini and the possibility of placing teak on entire deck of boat. Large swim platform and spacious forward platform makes easy access to the rubber boat out to sea and land.
