BOAT DESCRIPTION

BSC RIB - CLASSIC LINE

Quality, durability and convenience are the main features of our BSC Colzani inflatables from Classic lines. Their stability and comfort can thank its width and positioning of the seat as well as hull design. Hypalon rubber is the main reason for their longevity and quality. Contribution to the convenience gives numerous storage compartments and various solutions that make it easier for use. With a large selection of additional equipment our inflatables are equipped with a rich standard equipment.

RIB BSC 57

BSC 57 belongs to the Classic line of BSC Colzani RIBs, and features with comfortable front sundeck and folding top seating as well as console in the middle in order to facilitate the movement at boat. In it can comfortably accommodate up to 10 people. Because of the spacious side treads it is facilitated the enter in boat from shore and swim platforms combined with a removable rear seats make it easier to enter the boat from the sea.
